

P R O D U C T R A N G E

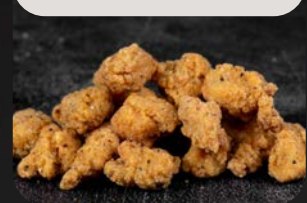

The Delightful range has been created to simplify foodservice buying, by supplying a wide range of cooked chicken solutions for all meal occasions. The majority of the products are manufactured from whole muscle chicken breast fillets and fully cooked, making them quick and easy to prepare. Available in a variety of delicious coatings and practical portion sizes, Delightful is destined to become a firm favourite reaching a wide cross-section of catering, food-to-go and foodservice outlets.

Our experienced team is committed to working closely with our customers and suppliers to continue to deliver and develop the best quality products in the Delightful range, whilst maintaining competitive pricing.
